

THE GROVE HOTEL

Audio Visual Equipment & Services

Planning & Assistance

Contacting the Hotel Audiovisual Tech should be a pre event necessity. The AV Tech is a valuable resource in preplanning for the correct item for the right location, audience, and presentation, who can offer additional AV suggestions that may not have been considered. (208) 333-8000 ext 2271

An Atronics technician will be available 30 minutes prior to the start of any scheduled meeting, to provide assistance and to obtain a signature for all ordered equipment. Appointments between the audiovisual technician and the On-Site Contact can be set for any reasonable time, directly or through your Catering representative.

All prices are at a per-day charge in at AM out by PM. Discounts for rentals lasting over 4 days will be considered on a case-by-case basis.

Services

The goal of all meetings is the decimation of information! AV tech's are here on site to make that happen.

Planning & Assistance

Contacting the Hotel Audiovisual Tech should be a pre event consideration. The AV Tech is a valuable resource in preplanning for the correct item for the right location, audience, and presentation, who can offer additional AV suggestions that may not have been considered. (208) 333-8000 ext 2271

An AAtronics technician will be available 30 minutes prior to the start of any scheduled meeting, to provide assistance and to obtain a signature for all ordered equipment. Appointments between the audiovisual technician and the On-Site Contact can be set for any reasonable time, directly or through your Catering representative.

All prices are at a per-day charge in at AM out by PM. Discounts for rentals lasting over 4 days will be considered on a case-by-case basis.

Tech Service Labor

7/24 One-hour minimum \$ 45 per Hour

Cord Taping Service

(Courtesy 10' or less at no charge.)

Any guest requiring excess taping of their items (like banners, phone or their power cords) of any type will be charged labor and or the cost of the rolls of tape used.

Pre-Event Setup

Equipment requested for setup in advance of any event (by a day or more), shall be billed at ½ day rental rate for each day equipment is not available for other rentals. Delaying AV setup to access time could delay the start of your meeting and will incur labor charges.

Prices, Availability & Losses

Prices shown and availability are subject to change without notice. Equipment availability is on a first come basis; other similar equipment will be acquired, but, may come at a higher price if sub-rented from an outside source due short notice of client needs. Products are quite often upgraded and those listed may have been replaced. Call for details from the AV Department at earliest opportunity when planning the event. (208-333-8000 ext 2271) or 208-941-1390 Director of Audiovisual Services.

Items misplaced or damaged while in the possession of the guest will have replacement cost added to final billing, if not returned within three business days.

Audiovisual equipment provided by AAtronics, Inc. The equipment listed is only a representation of AAtronics' comprehensive assortment of audiovisual equipment and services.
